

Coming soon – the coolest place to be seen in Gig Harbor!

**Public Ice Skating Sessions • Learn to Skate Classes • Ice Show Exhibitions
Pee Wee Hockey Games • Private Lessons • Family Night Out • Group Events**

**A first-ever seasonal ice arena will soon be part of
Gig Harbor's growing menu of new, exciting things to see and do!**

Be part of the charter sponsorship of this exciting venue at new Uptown Gig Harbor. Your logo will be seen on-site through dasher board display and through other opportunities. These logos will be seen in the media, by appreciative users of the rink, and most of all in your customer's hearts and minds for about 12 weeks.

**The portable ice rink opens in October and continues through
the holiday season until weekend of January 11, 2009.**

It is anticipated that tens of thousands of skaters will participate, with thousands of spectators drawn to the arena.

This extravaganza, organized by The Crystal Judson Foundation, and brought to the community by Uptown Gig Harbor and Galaxy Theatres, offers unique partnering opportunities and a unique occasion to put your brand name in front of an extraordinary market, at that time of year when exposure is most easily turned into sincere interest and sales.
